Profile :-

Kanha World School is a value based school promising a wholesome education to meet the needs of 21st century. The School recognises the urgency of transformation in the prevailing education system. We create an environment where our students experience freedom to enquire imagine and explore the colours of life. We build students as rocks against the VUCA (Volatile uncertain complex and ambiguous) world so that they remain unaffected from the arrows of hardships in life and create an own world of happiness for self and all.

Education in KWS focuses on the holistic development of the students. The international curriculum constitutes diverse activities resulting in a well balanced program encompassing all the three dimensions of education- the academics, the co-curricular activities and the sports.

Undoubtedly, KWS students will grow up to become inspiring individuals, the nation and the world would be proud of.

Vision :-

We are committed to provide quality education for the all round development of students which would foster not only individual growth, but also awaken a keen desire in them to make a positive contribution to society and the world at large.
